

WEISER LOCK®

Quality. Innovation. *Since 1904.*

NEW Technology from Weiser Lock!

SMART  **SCAN**

Personalized Access Control.

BIOMETRIC SCANNING DEADBOLT

Discover the Personalized Security and Convenience of SmartScan.

- Convenience of Keyless Entry
- User Friendly
- You Control who has Access to your home

Simplify Your Life with SmartScan

Biometric Fingerprint Scan Technology

No need to duplicate keys for guests, housekeepers, babysitters or your children. All you need is a fingerprint. Administrator access allows users to be added or deleted from the lock's database on the inside of your door.

CONVENIENT, RELIABLE & SECURE

CHILD-FRIENDLY

NO MORE UNINVITED GUESTS

RESTRICTED ACCESS

WHY SMARTSCAN?

Biometric Keyless Entry Deadbolt

- Works with a swipe of your finger using sub dermal sensors
